**QML Pathology** is a comprehensive medical laboratory and pathology practice with laboratory and patient pathology collection centre locations throughout Queensland, Northern NSW and Tasmania (Tasmanian Medical Laboratories).

#### **About the role**

Based at our main Laboratory in Murarrie, we are looking to appoint dedicated, experienced, quality driven **Scientists** to join our Histology Department. These Full-Time positions of 76hrs per fortnight will be required to work various shifts at our 24-hour Laboratory, Monday to Sunday, will enjoy clearly defined progression opportunities and join a friendly, professional team committed to patient care and scientific excellence.

#### **Your Duties will include:**

- Routine histology including embedding, microtomy and special stains
- Routine Immunohistochemistry and Cut Up
- Attendance at frozen section procedures
- General departmental duties such as specimen accessioning, case allocation
- Troubleshooting
  
- Maintaining current scientific knowledge
- Participation in both routine and audit related Quality Assurance activities
- Liaising with internal and/ or external stakeholders (referring practitioners) where appropriate
- Compliance and adherence with QML Pathology Policies and Procedures, Workplace Health and Safety Procedures and Quality Assurance Processes.

#### **About you**

- Bachelor of Science, Bachelor of Applied Science (Medical Laboratory Science) or equivalent is essential

To be successful in this role, you will demonstrate:

- An outstanding commitment to quality and excellence
- A willingness to adhere to departmental and organisational policies and procedures
- A positive attitude toward achieving outcomes and being a cohesive, contributing team member
- Strong time management, interpersonal, communication and organisational skills
- The ability to cope and thrive in a busy environment
- Self-initiative and problem-solving capabilities
- Exceptional attention to detail and accuracy

If this role appeals to you and aligns well with your qualities, skills and experience, please forward your current Resume and a Cover Letter to:

**Faye.Kapoulitsas@qml.com.au by Friday July 30<sup>th</sup>, 2021.**

*Only people with the right to work in Australia need apply.*

*Employment may be subject to a satisfactory pre-employment medical assessment.*

*QML Pathology is an equal opportunity employer.*

*Unsolicited applications will not be accepted.*
